## OVERVIEW

GPB 2027 brings together a vibrant community of researchers, industry leaders, and experts from across the globe to exchange knowledge and showcase their latest advancements in plant biology and biotechnology. This conference offers an excellent opportunity to present your work, engage in meaningful discussions, and connect with specialists from diverse plant science, agricultural, and biotechnological domains worldwide.

## CALL FOR PAPERS

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, -line and distributed at the event.

## Conference Topics
